Brady Street BID#11 Teams up with Art Milwaukee for 2nd Annual Art Walk

MILWAUKEE, WI – (May 2013) The Brady Street Business Improvement District, BID#11, and Art Milwaukee partner up to host the 2nd Annual Art Walk during Spring on Brady. The event takes place on Saturday, June 1st, 2013, from noon – 4 p.m.

Nearly 30 merchants up and down Brady Street will be hosting live artists who will be demonstrating everything from painting, to sketching, to throwing pottery. “This is an excellent way to promote the local artistic talent while featuring our daytime businesses on Brady Street,” says Alaa Musa, Chair of the Brady Street BID Board.

Attendees can pick up a map and checklist at Casablanca (728 E. Brady) showing all participating merchants. From here, attendees work their way East, stopping off to dine, drink and shop some fantastic deals along the way. Sidewalk sales will be in full swing for the day. The walk ends at The Nomad World Pub (1401 E. Brady) where attendees can then drop off their map and checklist to be entered into a drawing to win art pieces from participating artists. This is a free event.
