**2. How long you have been in business and do you live in the area?**

This is our 7<sup>th</sup> summer here on Brady Street

I live 3 blocks away from Bosley on Ogden Avenue

**3. Why did you choose to open your business on Brady Street?**

The feel of a neighborhood is what attracted me as well as the pedestrian foot traffic. It is very eclectic and not at all the cookie-cutter corporation that I have spent many years in.

**4. What would you like to share with our Brady Street admirers?**

I am originally from Maryland and that influences my menu towards seafood. I spent 25 years in Florida before marrying Jeff and moving to Wisconsin. We have a home in Key West, Florida and spend time there as much as the business allows. Again, that has been extremely influential in our menu, our artwork, our attitude and our "Southern hospitality."

We met Randy Thompson, drag queen extraordinaire, in Key West at Aqua Night where he is the star performer. After getting to know him, I asked if he would be interested in coming to our Brady Street Festival to emcee. Well, judging by the incredible turnout at our drag show at the Festival this year, Milwaukeeans seem to enjoy his performance as much as we do. He is already talking about next year's show!

I also spend as much time as I can with my three grandsons, Tyler, Jack, and Beck. They love to come to Bosley to "help" and they get "paid" in watermelon and our homemade chips- sweet!

***Bosley on brady is pleased to offer this special for the month of August if you mention "Meet the Merchant:" A complimentary dessert trio***
